Dear Mr. George Corser:

Congratulations - your paper #1570219422 ('Effect on Vehicle Safety of Nonexistent or Silenced Basic Safety Messages 2') has been accepted by 2016 International Conference on Computing, Networking and Communications (ICNC), Workshop on Computing, Networking and Communications (CNC). The tentative Technical Program of the conference will be available online shortly at <http://www.conf-icnc.org/>.

The final manuscript is due by 20 October, and you must be registered for the conference to upload your paper. Final manuscripts are to be uploaded via EDAS.

In order to be published in the Conference Proceedings and IEEE Xplore, an author (including students) of an accepted paper is required to register for the conference at the FULL rate, and is expected to present the paper at the conference. Registration fees must be paid prior to uploading the final IEEE formatted, publication-ready version of the paper.

For authors with multiple accepted papers, one FULL registration is valid up to two papers in any symposiums or workshops at the conference. More information about registration can be found at <http://www.conf-icnc.org/>.

We suggest you make your airline and hotel reservations as early as possible.

Please refine your paper according to the review comments (see below) before making the final camera-ready paper submission.

Thank you and best regards,

ICNC'16 TPC Team
